

# My teacher is not in school today

1

There might be days when my teacher is off school because he/she is sick.

2

When this happens, I might have a different teacher in the classroom.

3

Everything else will stay the same. I will be in the same classroom and will sit at the same desk.

4

The new teacher will read my Student Profile/Passport to find out about my likes, dislikes, interests and needs.

5

I can tell the new teacher about myself, or my parents can tell the new teacher.

6

My teacher will come back when he/she is feeling better.
